CORPORATE, MERGERS & ACQUISITIONS AND PRIVATE EQUITY

Our Corporate, Mergers & Acquisitions and Private Equity practice is a benchmark in the industry for its unique combination of technical superiority, experience and personalized service. We are recognized by the main legal rankings as leaders in the area, having advised some of the most important transactions in the country. We recently received the Firm of the Year award in M&A Small Mid Cap for Legal 500 and Leaders League.

We know that each operation is unique and we recognize and understand the particularities of each client and their business. Our lawyers offer a practical approach, commercial vision, creativity and commitment to excellence for each matter in which we are involved.

We have experienced and qualified professionals who advise national and international companies in all phases of negotiations of complex transactions, as well as during the life cycle of their business. Our team works in synergy with the other areas of the office, offering sophisticated solutions, mitigating risks and ensuring safety in the specific needs of each operation.

We are highly recognized professionals in the private equity area, advising investment fund managers and institutional investors, both domestic and foreign, as well as investee companies. We know the particularities of the sector and know how to navigate it strategically and quickly to complete operations.
