[add contact](#)

Milana Martins advises Brazilian and foreign clients in the negotiation and structuring of domestic and cross-border M&A transactions and formation of joint ventures in different sectors of the economy, such as telecommunications, energy, mining, financial and infrastructure. She also advises clients in corporate reorganizations, corporate disputes and in matters related to the Securities Market (including in regard to the regulations issued by the Brazilian Securities Commission), Corporate Governance and general Corporate and Contract Law. Clients have sought her for the implementation of corporate governance best practices and estate planning.

Representative Experience

- Advising **Raízen**, one of Brazil's top five enterprises, on several recent transactions, among which we can highlight:
 - the formation of a joint-venture with Decio group, for expansion of the chain of gas stations and convenience stores
 - the acquisition of 100% of Shell's lubricants business in Brazil;
 - the formation of a joint venture with the Agrícola group for the operation of gas stations and convenience stores in the states of Santa Catarina, Paraná and Rio Grande do Sul.
- Advised **Nimofast**, a pioneering leader in fuel imports in Brazil, on the indirect acquisition of Paraná Xisto, a shale refinery based in the State of Paraná.
- Advising **BTG Pactual** on the creation of a Private Equity Continuation Fund and the acquisition of Opy Health, a hospital infrastructure operator, with concessions for public hospital services in the cities of Belo Horizonte and Manaus, from funds managed by IG4 Capital.
- Advising the **Meneses de Oliveira Family** and **IMES – Instituto Mantenedor de Ensino Superior**, sponsor of the UNIFTC University, in the creation of an independent platform for medical courses, as well as in the negotiation of investment to be made by funds managed by Mubadala Investment Company on such a platform.
